

ADAMS STREET CONSTRUCTION SET TO BEGIN JUNE 9TH

Adams will be CLOSED from 75th to 80th and from 87th to 90th streets.

Project Description

The East Adams project is from 75th Street to east of 90th Street in northeast Lincoln. This project includes a paved roadway with curb, gutter and sidewalks as well as left-turn and right-turn lanes at intersections. A traffic signal at 84th and Leighton is also being installed, as well as a new water main in the area of 90th Street.

Construction is currently scheduled to begin June 9 and conclude before the end of this construction season. This is only an estimate. Factors such as weather, property impacts, and maintaining access could affect the final schedule.

Access will be provided (from a minimum of one direction) to all properties for the duration of construction, except during driveway reconstruction.

Road closures will be announced in advance in the *Lincoln Journal Star* and on the City Web site, lincoln.ne.gov. The City and contractor will also communicate with individual property owners regarding driveway closures.

Construction is planned to occur in this general sequence:

A) Starting June 9:

- **75th to 80th streets** – Adams Street will be closed to through traffic. Two-way, paved, public access to 80th Street and the Mahoney Golf Course driveway will be provided from the east on Adams Street.
- **87th to 94th streets** – Adams Street will be closed to through traffic. This section includes the installation of a new water main.
- New signal installation begins at 84th and Leighton.

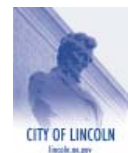

B) After the 75th-80th section is complete:

- **80th to 84th streets** – Adams Street will be closed to through traffic. Two-way, paved, public access to 80th Street and the Mahoney Golf Course driveway will be provided from the west on Adams Street.

C) After the new signal at 84th & Leighton is operational:

- **84th to 87th streets** – Adams Street will be closed to through traffic.

The City of Lincoln thanks you for your patience!
